Date of document      2016-09-19

Expected action      Next Meeting  
Due Date              2016-10-25

**Background**

Dear members of WG 3,

please excuse the confusion. I mistook the prolonged deadline and circulated the result prematurely. The Croatian mirror committee sent in their opinion on Friday and I am circulating the result overview again with this letter. The Croatia opinion has also been added in the ZIP file, see N 293.

Thank you for your understanding.

Best regards

Lilian
