Dear Ms Panek,  
I am sending you the opinion of Slovak experts from Slovak national technical committee TK 7 Roads concerning the document N 287 CEN/TC 226/ WG 3. They prefer option "2" but it is necessary to provide a final draft of new test method. If the new test method is not specified we vote for option "1.b".

Best regards,  
Ing. Adriana Lengyelova
